Fall walks are on the way

Praise be to God, the men's fall walk is under way with several team meetings gone. The team covets your prayers and we ask that you consult the Lord about any men you know who should be on this walk.
May the ones that come behind us find us faithful!

Tom Wig Lay Leader

Putting together God's team for this walk was a real lesson in "being still," patience, and faith. As I look back in hindsight, it is so very clear how God guided me through the process. Team meetings are underway. In the meantime we are praying for the pilgrims that God is calling to the walk. We are also keeping each other in prayer that we would be ready to serve as God has called us. We invite you to be in prayer with us for the pilgrims and the team, and to ask God how he wants you to serve as 4th Day.

Striving to be faithful,
Susan Hume, Lay Leader
Walk # 65

**East Ohio Emanuel Emmaus
25th Anniversary**

Wow what a day it was! At the we watched the crosses being lit around the circle by walk numbers. It was wonderful to watch. The battery operated crosses were used and I believe that everyone enjoyed. The walk committee has reported that some crosses were not turned in at the closing. Please check your pockets and cars for crosses that may not have been returned. Thanking you in advance.

Fall Walks are forming

Fall team meetings have started. Many pilgrim applications have come in. While there is time, maybe your group could do some agape for the tables at meal times. Many times just a piece of agape will bring some one closer to the Lord. Make some in your reunion group and have a bible study the same night.

North East Ohio Chrysalis.

Thanks for your prayers as always.

Flight 30 was held Sept 1-3 for young women at Camp Asbury in Hiram Ohio. While this walk is now over we ask for continued prayer for these young girls as they enter the world. The many things that draw these young people away from the Lord can be strong some days. May we remember them in prayer.

Praise and Thanksgiving for this flight

Who needs the Lord?

Fall teams are meeting and praising the Lord. As many of you know, the team meetings can be very exciting and meaningful. While the teams are forming and getting ready, we need to be in touch with our King and ask who He calling to this walk. The women's walk is almost filled up and the men's walk still has some room. There are many men out there that need this weekend. They need it to get away and also need it to grow closer to the King we know and love. Ask the Lord of lords who you might be asking and talking to about making a walk..

Have You seen Jesus my Lord?

East Ohio Emanuel Emmaus 25th Anniversary

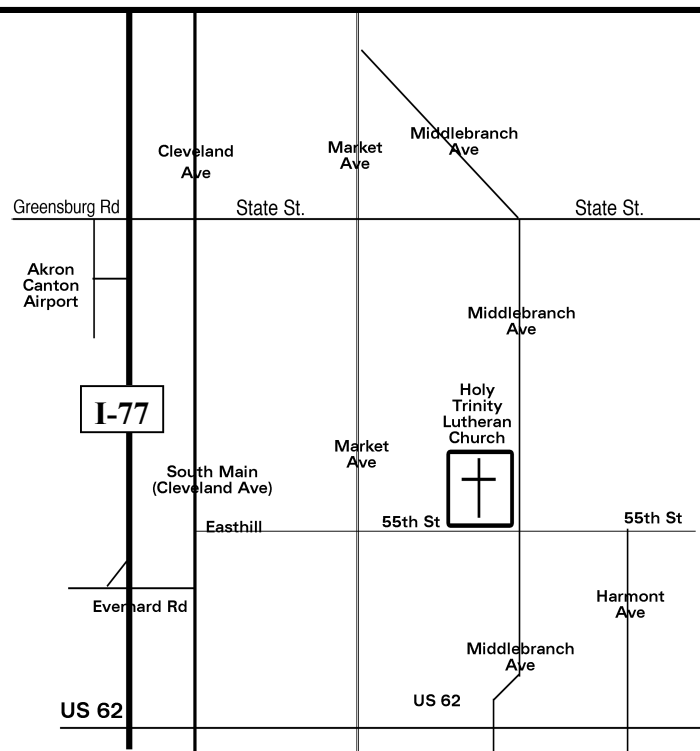

When you let God be in control great things happen. Back in October of 2006, the committee had ideas of what this celebration should be like. But the closer the day came; God showed us that it was going to be His way. For all that were there, and those that could not make it, the barn was transformed into walls of banners, maybe 80 plus! Oh, what a sight. Have you ever taken a real look around camp? Well, a lot of us took the wagon ride around camp to see what most of us did not even know was there. The dining hall personnel did a great job getting our meals out to the servers hot and ready to go. It was a fast turn around.

God was in our presence the whole day. First what a beautiful day the Lord had provided. Have you ever been to Inspiration Hill? If not, you need to go to Camp and take a look. Rev Rich Crabbs, the Pastor that had the vision to start a community in our area over 25 years ago, spoke. This was followed by music, testimonials, singing, communion, singing of Our God Reigns, and the lighting of the cross candles. It was dark as each person lit their candle for the walk they had taken. The hill became, as some said, like they think heaven will look. Surely the presence of the Lord was in that place.

Memories

Do you remember your weekend as a pilgrim? Many things happened that weekend and you were not even sure of how they happened or why they happened. We can hope that you are able to glow in your weekend even after years have passed. When you think of your own walk do you ever think of a special friend that may need the same experience? We are talking about your special friend that might need to know Jesus just a bit more. Can we ever know Jesus too much?,,, I don't think so. Friends we are talking about showing a friend about the pleasure of walking with Jesus on a daily basis. During the closing at the 25 reunion we heard people talk about being in church all their lives but yet met the risen savior on their walk. How can we call them special friends and not let them take the walk? Pastors have met the Lord on their weekends. Has your pastor made a walk? We have walks coming up and you might still be able to get that special person on their walk with Jesus. We are commanded to "go and make disciples of all nations." How can we be a disciple if we are not sure who Christ is? Think and pray about it. Talk to Jesus about your friend, then talk to your friend about Jesus. Get the application filled out. In closing remember your weekend and what it meant to you.

Days after I moved into a new condo, my neighbor came over to ask about my wind chime. They told me they would give me twenty dollars for the wind chime. I told them they could buy them cheaper at the store but I was told they wanted mine because they it was keeping them awake at night.
