The Men's Walk was a very successful weekend, All 15 pilgrims felt the presents of Christ throughout there time at Wanake. The Emmaus experience is such a Joy, it is a Privilege to serve GOD in this way. To see men of all ages and professions moved in such a way that they want to share there Joy with everyone, Praise GOD! I want to thank ALL who served on Team and the forth day for serving us throughout the week-end. Please pray for our new Forth Day, MAY GOD BLESS ALL OF YOU!

Women's Walk # 67

Wow! What a powerful weekend in the presence of our Lord and Savior! They say every walk is different, but believe me brothers and sisters this weekend WAS different! After fifteen hours without power from a small tornado that passed near camp, the Light of Jesus was restored in a mighty way as we ended our dying moments on Saturday at noon. We kept our "eyes fixed on Jesus" as the weekend drew us closer to His face and Saving Grace. We wish to thank the Emmaus community for their prayers, support, and gestures of agape as we basked in His love. Your love and prayers were felt by team as well as pilgrims. May we all persevere as we keep our eyes fixed on Him.

Pam Edwards – Lay Leader

Mary Lou Lorenz – Asst. Lay Leader

East Ohio Community, upcoming news for North East Ohio Chrysalis.

Labor Day Flight to be held Aug 30—Sept 1, 2008
Camp Asbury, Hiram Ohio.

There have been some changes. At the February training we learned of the option to have a temporary policy of accepting Journey butterflies along with Chrysalis butterflies on the same flight/journey. Northeast Ohio Chrysalis will make this available on Flight/Journey #33 for young women on Labor Day weekend. There will be a limited number of spaces for Journey aged (18-24) young women. When those spaces are filled, a waiting list will be maintained. There will be Journey aged team members. Please pray for this change in the formation of the team and the calling of butterflies.

Registration forms are available at the web site: www.gbgn-umc.org/neoc. Do you know a young lady who might benefit from a weekend with God and His servants? Pray for the teams, caterpillars and also the person that might need this time with God.

Your huts on fire.

The only survivor of a shipwreck was washed up on a small, uninhabited island. He prayed feverishly for God to rescue him. Every day he scanned the horizon for help, but none seemed forthcoming. Exhausted, he eventually managed to build a little hut out of driftwood to protect him from the elements, and to store his few possessions. One day, after scavenging for food, he arrived home to find his little hut in flames, with smoke rolling up to the sky. He felt the worst had happened, and everything was lost. He was stunned with disbelief, grief, and anger. He cried out, "God! How could you do this to me?" Early the next day, he was awakened by the sound of a ship approaching the island! It had come to rescue him! "How did you know I was here?" asked the weary man of his rescuers. "We saw your smoke signal," they replied.

Some times we can't see God at work.
