Emmaus, Inc.

Have You Seen Jesus my Lord He's here in plain view

Dearest 4th Day,

Jesus, once again, showed up in might and power and with a lot of GRACE! God's spirit was flowing freely throughout the weekend and He did some transforming of souls! One man accepted Jesus as his Lord - that was the high point for me. Through the moving of God, Emmaus Walk #68, did what it was to do. 4th Day please know that the written agape was very moving to the men. The special poems and cards are great BUT the men were moved deeply by the hand written agape. I encourage you all to hand write agape if at all possible. God uses it in ways we cannot understand -- we just need to be willing! Keep it coming. Praise God!

In His Service,
Joseph Petrak
Lay Leader Men's Walk #68

Wonderful 4th Day

From the first team meeting through the last moment of Walk #68; His presence was felt. God truly shone His light on the Pilgrims of Walk #68 as we felt the Holy Spirit's power in miraculous ways. We were blessed, lives were changed and burdens left behind. Praise Jesus!

In Christ,
Debbie Jackson & Marge Chevrier.

From the Walk Committee:

We would like to thank all the 4th day members that came forward and helped on the men's walk to set up, with candlelight and on Sunday. We had two members on Team and it was very much appreciated. We are one in the body.

Memories

Do you remember your weekend as a pilgrim. Many things happened that weekend and you were not even sure of how they happened or why they happened, maybe for months after your walk. We can hope that you are able to glow in your weekend even after the years past. When you think of your own walk do you ever think of a special friend that may need the same experience. We are talking about your special friend that might need to know Jesus just a bit more. Can we ever know Jesus to much?,,, I don't think so, friends we are talking about showing a friend about the pleasure of walking with Jesus on a daily basis. During the closings we have hear people talk about being in church all their lives but yet met the risen savior on their walk. How can we call them special friends and not let them take the walk Pastors have met the Lord on their weekends, . We have walks coming up and you might still be able to get that special person on their walk with Jesus. We are commanded too. Therefore go and make disciples of all nations. How can we be a disciple if we are not sure who Christ is, Think about pray about it, than talk to your friend about Jesus, talk to Jesus about your friend. Get the application filled out. In closing remember your weekend and what it meant to you.
